Jeremy Ranch Owners Association

Community Event | Trash Talk | May 21st

Please join us on Saturday, May 21 for Trash Talk! Community members are asked to meet in the Jeremy Ranch Park and Ride for Coffee and Donuts at 9:00am. Meet & Mingle with your neighbors then grab a trash bag and go for a walk and help to collect waste in our neighborhood. Trash has piled up in bushes, curbside, and in empty lots. Let's spread out in the neighborhood and do our part. If you can't make it on the 21st, consider taking a bag on your next walk. We hope you'll join us!

JROA BOARD MEETINGS

June 8, August 10, October 12, &
December 14, 2022

Meetings are held via
Zoom 6-8p

Weed Abatement Treatment First Week of June 2022

- ✓ Email reminders will be sent
- ✓ Greenleaf will spray for summer weeds in common areas as required by Summit County ordinance
- ✓ The product used is safe as soon as it dries, but keep off trails all day
- ✓ Homeowners are responsible for weed abatement on their property
- ✓ <https://www.summitcounty.org/155/Weed-Division>

President's Message from Kathleen Johnston

Spring has sprung in the mountains!

I love this time of the year, as we emerge out of winter conditions. Yes, the weather is unpredictable. Snow. Sun. Rain. Wind. Clouds. Snow again. What's the saying, "If you don't like the weather in the mountains, wait ten minutes and it'll change". Often this time of year is called, "Mud Season", as snow melts and Spring showers can cause soggy conditions. But then, it starts to happen . . . every day becomes a bit greener. The skies a bit bluer. The days warmer. This year has not yet been as muddy. The Winter's snowfall levels and meteorologists indicate it was a relatively dry winter. Which means a dry Spring and invariably, a dry Summer. Summit County and North Summit Fire District officials anticipate an active wildfire season in our mountains (June 1st-October 31st). They are already planning prescribed burns to get ahead of these threats. There are some things Homeowners can do as well: 1) Consult FireWise USA resources to learn how you can prepare your landscaping and house to be less vulnerable, 2) keep your property clear of dead wood, brush and grass, 3) be responsible with open flames, campfires and fireworks, 4) ensure vehicles and towing equipment operate properly to avoid sparks, 5) maintain a 72-hour emergency preparedness kit, 6) have a family evacuation plan, 7) educate your children, extended family, friends, guests and renters on these practices. Together, we can advocate a safe and enjoyable Summer for all of us.

EXTREME FIRE LEVEL

*As a reminder, Summit County Fire Danger Level will likely be **EXTREME** by June 1st! Fire Restrictions will be in place on all state and unincorporated lands in the county. Please avoid fireworks of any kind this summer. Enjoy the holiday weekends safely with friends and family. If you feel you or your property is in danger at any time, please contact the Summit County Sheriff Department.*

In anticipation of a dry summer, please consider Summit County Fire Warden Bryce Boyer's statement from June 2021, "No backcountry campfires, No Fireworks, No backyard bonfires, No firepits unless they are natural gas fueled and meet the county guidelines as listed on www.summitcounty.org Please obey all ordinances and emergency orders issued.

Be Smart! Help keep everyone safe including our fire fighters!

SLOW DOWN

It's Spring! Please keep our residents safe. There are many cyclists, children, and pedestrians outside. Avoid a tragedy and slow down!

YOUR SAFETY MATTERS

Car Break-Ins

Many of us have suffered from the recent increase of car break-ins and loss of personal property. As a reminder, remove all personal items from vehicles, and lock your car. Close your garage after you enter your home and keep an eye on the neighborhood. If you see any suspicious activity, please do not wait. Call the non-emergency number for our Summit County Sheriff's Office at (435) 615-3600. It is better to report any unusual activity than to hear about the incident after it has occurred. Don't be a victim.

It Is Illegal to Park in Front of a Fire Hydrant!

For your safety and the safety of your neighbors and our community, please DO NOT park in front of a fire hydrant. It is illegal and dangerous especially given our dry conditions. You just may be the one who needs access to that fire hydrant in an emergency. Thank you for working together to keep our community safe.
